

Review of Analytic Philosophy

With analytic philosophy increasingly taking center stage in contemporary philosophy in the Asian region, the time is ripe to launch a new open-access international journal for analytic philosophy that is based in Asia. Here we introduce *Review of Analytic Philosophy*. This journal aims to publish high-quality original research on any area in analytic philosophy, broadly conceived.

AIMS AND SCOPES

Review of Analytic Philosophy is a peer-reviewed international journal designed to provide a forum for people working in analytic philosophy broadly conceived. It publishes high-quality original research on any area of analytic philosophy, including Epistemology, Metaphysics, Philosophy of Mind, Philosophy of Language, Philosophy of Science, Logic, Normative Ethics, Metaethics, and History of Philosophy.

MANUSCRIPTS

Manuscripts should be between 8000 and 10000 words, and submitted as a double-spaced Word document (template available) with an abstract of around 150 words. Author's identifying information will be removed by the Editorial Department as necessary for blind review. Manuscripts are submitted under the understanding that they have not been published elsewhere, either in whole or in part, and are not currently under review elsewhere. Submissions can be made via the online submission form at (<https://rap-journal.net>) or by email attachments (rap@myukk.org).

LANGUAGE

All manuscripts must be written in clear, concise English, and be consistent in style and spelling. Manuscripts will be published in English and all accepted manuscripts will be proofread and edited by professional editors.

REVIEWING PROCESS

Manuscripts will be subject to a double-blind review process. This means that manuscripts will be anonymous to reviewers as well as editors, and reviewers will be anonymous to authors.

COPYRIGHT

Authors of an accepted manuscript shall agree to transfer the copyright of the manuscript to MYU K.K. All articles published in *Review of Analytic Philosophy* are available under the terms of the Creative Commons Attribution 4.0 International License (CC-BY 4.0, <https://creativecommons.org/licenses/by/4.0/>).

PUBLICATION FEE

This journal operates on an author-side fee basis. The fee will cover typesetting, proofreading, and reviewing, as well as publication of article online and the printing of a limited number of hard copies. Importantly, the fee will also cover professional editing for English clarity and naturalness. The publication fee, payable upon article acceptance, is JPY 40000, and the proofreading fee varies from JPY 0 to 50000 depending on the level of English. Note that discount is available for the case where the first author is not employed full time. The authors of rejected papers will not be charged.

PUBLICATION

Two issues will be published annually. We aim to publish the first issue of *Review of Analytic Philosophy* in early 2021. Publication will be primarily online, though a number of physical copies of the journal will also be printed for distribution.
